

CLAUDE CORMIER, M.DES. Landscape Architecture, FCSLA, AAPQ, OALA, FASLA, Hon. FRAIC, C.Q., RCAA
Founding Associate, CCxA (Claude Cormier + Associés)

37 years of experience

Claude Cormier, founding partner at CCxA has a strong background in both the theory and practice of landscape architecture. Since establishing his practice in 1995, he has acquired a solid reputation as a prolific designer, noted for his originality and creativity. Working in tandem with teams of other architects and urban design professionals, Claude has demonstrated an innovative, imaginative capacity for problem-solving. He approaches each obstacle as a challenge, each new constraint as a stimulus for fresh creativity. Claude is a dedicated and sensitive team player, for which he has gained the respect of clients and colleagues alike.

EDUCATION

- 1994 Master's in Design Studies - History & Theory – Harvard University Graduate School of Design
- 1986 Bachelor's in Landscape Architecture – University of Toronto
